Bio

Student at Salisbury University, set to graduate in 2026 with a Bachelor's in Communications, concentrating on media studies and mass media, along with a minor in Marketing and Media Production. Also an active member of Alpha Sigma Phi Fraternity.

Internship Objective

To get the opportunity to gain meaningful, pre-career experience and interact with a variety of professionals in a range of work activities. I would like to be in a position that is related to media, specifically mass media, production, communications or marketing in any form within the sports, news or entertainment industries.

Attributes

- Confident and comfortable with presentation and public speaking
- Outstanding organizational skills and time management
- Driven to achieve goals and take initiative when needed
- Always prompt, reliable, responsible and dependable
- Excel in leadership, mentoring and working within a team environment

Work Experience
